CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Cleary Bros. Get Pahokee Contract

The bid of Cleary Bros. Construction Co., West Palm Beach, to extend the intake pipeline of the Pahokee city waterworks farther out into Lake Okeechobee at a cost of \$7,500 was accepted by the City Council in regular session Monday night, as recommended by Russell and Axon, consulting engineers for the waterworks department. The signing of the contract for the extension is subject to the approval of the State Board of Health and the U. S. Army Engineering Corps. The proposed extension will place the waterworks intake basin beyond the harbor area in lake water less subject to possible pollution.

It was voted to continue the study of the bids for the construction of the proposed additions to the city hall, jail and fire station until Tuesday, April 19, at 7:30 p. m., when a special meeting of the Council will be held to take action on these bids.

The Council accepted the bid of Leland Keen, Pahokee Junior High coach, for the management and operation of the municipal swimming pool in the City Park during the coming season, the pool to open April 15.

Mayor F. S. (Dick) Parrish joined council members in a discussion of the application of Gene Paulk of Clewiston for a beer sales license for the Tiny Diner on East Main St. The fact that this diner is a popular meeting place for teenagers was advanced in the argument for not granting the license. The motion of Councilman Charles (Sonny) Brown to grant the license (continued on page 8)

Park Site & Boat Ramp Area Secured

The Palm Beach County Commission this week approved plans for a new roadside park and boat launching area to be established between Belle Glade and Pahokee. Commission Chairman Paul Rardin, who originated the idea some time ago, pinpointed the location of the area as "immediately north of the East Shore pump on State Road 715."

The commission this week received a deed from the state for a seven-acre park site and a permit from the Federal government to construct a launching site in Lake Okeechobee across the dike from the park site.

Chairman Rardin said the State Road Department has plans for development of the park facilities and that county forces will construct the boat ramp.

Mrs. Pope Hostess To Circle At Home

Mrs. E. L. Pope was hostess to members of Circle Five of the Everglades Presbyterian Church at the April meeting held at her home, with Mrs. Richard Murray, president of the Women of the Church, giving the opening prayer. Mrs. W. L. Duncan gave a reading and Mrs. Mes M. Bosworth, the lesson. Mrs. E. K. Laffin, chairman, presided at the business and gave the devotionals.

New Officer Slate For Local Lions

James Gibson, president of the Canal Point Lions Club, at the weekly dinner meeting of the club appointed a committee composed of H. G. Boynton, chairman, Albert Fremd and H. H. Sears to nominate a new slate of officers and report at next week's meeting. It was announced the club is obtaining from the Central and South Florida Flood Control District a film showing the latest projects within the district, either under construction or completed, for the improvement of water control in South Florida. An invitation will be extended to the Pahokee Lions to join the Canal Point Lions in seeing this important motion picture.

Highway Deaths Will Be Slowed

The County Commission this week pledged itself to giving every cooperation to law enforcement agencies in an effort to cut down the growing number of accident fatalities on county highways.

Commissioners Roy Michael and Kenneth Foster who reported on a meeting between public safety officials, law enforcement agencies and the county board, said a number of ideas were the outgrowth of the meeting—ideas which are to be drafted into a set of recommendations for final action.

Commissioner Michael said he had advanced an idea that roadside markers be set up at the scene of every fatal accident. He said other states use this system and it has its effects on motorists, causing them to reduce speed whenever one of the signs are spotted.

In other actions on road the commission decided to push for an early start for widening Military Trail between State Road 90 and Okeechobee Road and to ask that the project include a walkway along the road for school children.

The board also gave approval for widening a strip of road leading to the Jupiter School from Indian-town Road and voted to secure needed right of way for a road to serve the West Gate school.

The board also learned that bids for construction of U. S. Highway 1 through Delray Beach, a drainage project on Palmetto Road and construction of Boynton Beach West Road, will be opened by the State Road Board on April 28.

Local PTA Group At County Meeting

The Canal Point Parent-Teacher Association was represented at the Child Growth and Development Workshop, held in the Mounts Building on Military Trail Tuesday, by Mrs. Joe Cherry, Jr., president, Mrs. W. E. Blackwell, Mrs. James Gibson, Mrs. W. E. McCall and Mrs. Dick Miller. Mrs. W. T. Gist of Pahokee also attended. Speakers included Dr. Edward Flemmings, assistant director of the Florida State Board of Health, and other officials of both the State and County Boards of Health.

Mr. and Mrs. C. C. Lemons spent the past week at their home in Greensboro, N. C.

Decorations For State Meeting By Local Garden Clubs

Garden Club members of the Glades area were in charge of the table decorations at the Wednesday night banquet of the State Federation of Garden Clubs which is holding its annual convention at the Palm Beach Biltmore Hotel this week. Mrs. Ivan Van Horn of Belle Glade was general chairman in charge of arrangements. Pahokee club members assisting her were Mrs. Norman Kennedy, Mrs. L. L. Shirley, Mrs. J. T. Platt, Mrs. Leo Maxwell and Mrs. C. L. Shirley, Sr.

Representing the Pahokee Club at the convention are Mrs. Ed Jensen, delegate, and Mrs. J. S. Chastain, alternate. The Canal Point Garden Club is being represented by Mrs. M. C. Carter, delegate, and Mrs. G. H. (Duke) Tucker, alternate.

Mrs. Leo Maxwell and Mrs. J. S. Chastain attended the lecture and demonstrations on flower arrangements given at the Royal Poinciana Playhouse Tuesday night as one of the features of the convention program.

Bill Moss Renamed Pahokee PTA Head

W. O. (Bill) Moss was re-elected president of the Pahokee Parent-Teacher Association at the annual election of officers held during the April meeting in the high school auditorium Monday night.

Other officers recommended by the nominating committee and unanimously elected were Mrs. N. R. Lemonds, first vice president and program chairman; Mrs. Milton Douglas, second vice president and membership chairman; Mrs. David Unwin, third vice president and hospitality chairman; James Harry Wilkinson, fourth vice president and budget and finance chairman; Mrs. Horace Unwin, secretary; Mrs. Joe Hatton, Jr., treasurer; Mrs. Ernest Maxwell, historian; and Norma R. Norman, parliamentarian. The new slate of officers will be installed at the May meeting.

The monthly attendance awards were won by Mrs. Edna Maxson's first grade room at the elementary school and by the eighth grade at junior high school.

Members of Brownie Troop 247 were in charge of the flag ceremony and presented a skit in the opening exercises. The Rev. Thomas Shoemaker, pastor of the Church of God, gave the devotionals.

Following the business session, an art show was held in the gymnasium where the art work of students, first through twelfth grades, was exhibited under the supervision of Mrs. Ann Doneho, art director of Pahokee Schools.

Refreshments were served by Mrs. Robert B. Simonsen, assisted by Mrs. Web Pell, Mrs. Hugo Boe and Mrs. Leland Keene.

Mrs. Ada Culberson, who has been the house guest of her son, A. E. Culberson, and family while recuperating from recent illness, was able to return to her home this week.

Pahokee Lions Hear Claude Jones

Claude Jones, Belle Glade attorney, spoke on "The Life of Abraham Lincoln" at the Tuesday luncheon meeting of the Pahokee Lions Club. Dr. I. V. Minner of Wauchula explained the work of the Christian Record Benevolent Association of Lincoln, Neb., in the dispensing of free services to the blind, such as the distribution of books, talking records and the like. His request that the Pahokee club sponsor the local activities of the CRBA was approved. A call was made at the meeting for nominations of candidates for office from the floor, and since there was no response, the slate of officers recommended by the nominating committee last week will automatically be elected in May.

Union Service On Big Lake Levee

A union Easter Sunrise Service will be held on the Lake Okeechobee levee facing Pahokee Harbor Sunday at 6 a. m. under the joint sponsorship of Pahokee and Canal Point Churches.

The Easter message will be delivered by the Rev. Robert A. Shelley, pastor of the Canal Point Methodist Church. The Scripture will be read by the Rev. Thomas Shoemaker, pastor of the Church of God, Barfield Highway. The prayer of invocation will be given by the Rev. Charles D. Stewart, pastor of the Canal Point Missionary Baptist Church; the offertory, of the Pahokee First Baptist Church. At the benediction, by the Rev. Rubin Barfield, Canal Point First Baptist Church. The Rev. Charles F. Crauswell of the Church of the Nazarene, Pahokee, is in charge of the program.

A choral group, made up of choir members of all the churches represented at the services, will sing two numbers, "Joy Dawned on Easter Day" and "All Hail the Power of Jesus Name," under the direction of Milton Carpenter, with Miss Kathleen Spencer at the piano.

The services will be broadcast over Pahokee's radio station, WRIM.

Funeral Services For Zack Ingram

Funeral Services were held Thursday morning of this week for Zack Ingram, 77, former resident of Pahokee and former mayor of Belle Glade. The funeral was held at the First Baptist Church in Belle Glade. He was in the farm implement business with Glades Equipment Company for many years and moved to Belle Glade from Pahokee several years ago.

Survivors include his wife, Mrs. Ingram of Belle Glade; a daughter, Mrs. Gloria Morales of La Mirada, Calif.; two sisters, Mrs. Herbert Hackney of West Palm Beach and Mrs. Eliza Smith of Cordele, Ga.; two stepsons, Donald and Robert Jones of Belle Glade; and four grandchildren.

Mr. and Mrs. Walter Case of Delray Beach were guests here Sunday of Mrs. Helen Schroder.

City Manager Vote Pahokee Election

Pahokee residents have until 5 p. m., April 22, to register for the May 3rd city election if they are not already registered to vote, and candidates for office have the same deadline to qualify, according to City Clerk Patsy Batchelor.

The voters will again decide on this election whether or not Pahokee is to have a city manager, as a special bill passed by the State Legislature in its last session authorizes a referendum vote on this issue. The act specifies that the city manager would be general supervisor and manager of all public business and affairs of the City of Pahokee not inconsistent with city ordinances. He would be responsible to the City Council which would fix his salary and have the authority to hire him or dismiss him from his duties by a three-fifths majority vote.

Pahokee voters have voted against a city manager form of government on two different occasions in the past. In 1945 they defeated the issue, 175 for 155 against. Later in 1953 the vote was 201 for and 265 against.

With the date for qualifying still a week off, it is evident the offices of chief of police and mayor will be the most hotly contested in this election. Veteran Police Chief Leon Guthrie, seeking re-election, will be opposed by Charles Dickson, R. D. Sappington and Maurice Sullivan. Mayor F. S. (Dick) Parrish has decided not to seek re-election until a group of citizens, in appreciation of his work as mayor, circulated a petition qualifying him as a candidate and persuaded (continued on page 8)

Baptist Revival At Pahokee Church

The Rev. Larry Taylor of San Antonio, Texas, evangelist, is conducting a series of revival services at the Pahokee First Baptist Church, this week with morning services scheduled to start at 7 o'clock, and evening services, at 8 o'clock, daily. He is being assisted by Charles Smith of Winter Haven, music director.

During the past week church members held special cottage prayer meetings in preparation for the revival. These meetings were held at the homes of Mrs. Annette McCurdy, Mr. and Mrs. Wiley Tillis, Mr. and Mrs. C. S. Davis, Mr. and Mrs. Robert Wooster, Mr. and Mrs. Charles Wilkinson and Mr. and Mrs. W. O. Moss.

Sonny Harrington Has Heart Attack

Capt. John S. (Sonny) Harrington is in an air force hospital in Dover, Delaware, suffering from a coronary thrombosis and is in serious condition. He suffered the attack in the Azores Islands but flew his jet plane to New Foundland where it was refueled before he completed his trip to Dover where he was hospitalized. He is the son of Mrs. John S. Harrington of Fort Mayaca. His family is with him at Dover.

Florida Dairy Herds Registered Notable Improvement in '59

GAINESVILLE — The 1958-59 Florida Dairy Herd Improvement Association summary shows herds hit an all-time high average in milk production, according to C. W. Reeves, dairyman with the Florida Agricultural Extension Service.

Over 18,000 cows are represented in the yearly summary compiled by the Extension Service dairy office. They averaged 7,198 pounds milk of an average test of 4.2 percent butterfat.

Reeves says this production was 27 percent above the average of all Florida cows kept for milk as reported by the USDA Agricultural Marketing Service for 1959 and 37 percent above 1958 figures.

The 1958-59 feed cost of \$218 per cow was also the highest in recent years, according to Reeves. DHIA records are kept by 15 dairy herd improvement association supervisors who visit the herds monthly to weigh, sample and test the milk and compute the income, feed cost and profit of each cow and of the herd as a whole.

Records assist dairymen as a guide for better feeding, culling and building a higher producing, more profitable herd, says Reeves.

Work is carried out through 10 dairy herd improvement associations serving 34 counties in Florida. The February, 1960, state sum-

mary showed over 21,000 cows currently on test.

Five associations with high yearly averages of pounds of four percent fat-corrected milk per cow and their averages were Orange 8,377; Pioneer 7,895; Leon-Jefferson 7,795; Duval 7,675; and South Florida 7,182.

Florida DHIA records proved or helped prove 68 dairy bulls last year by providing records for comparing the production of the bulls' daughters with that of their dams. Reeves says selection of best brood cows and better dairy sires are objectives of the program, together with culling and better feeding and management.

Man Progressing In Fight Against Pests

Insects were on earth millions of years before man, and human beings have always had to struggle against pests. The world's 218 billion people are far outnumbered and outwitted by agricultural pests. It is estimated that there are more than a million kinds of insects on earth. The United States has about 85,000 known kinds—10,000 undesirable and several hundred destructive enough to agriculture to be of major importance.

Insects have never taken over the earth because natural foes tend to keep some balance among the forms of life in an area. But given a chance, pests break out in plague force. Famines caused by locusts are reported in the Bible. History is replete with instances where pests have starved out large numbers of people. The four horsemen of the Apocalypse were war, famine, pestilence and death.

At times it has seemed that insects might finally win their battle against man and his crops and animals and take over the earth. But man is resourceful and keeps coming up with new and better weapons with which to fight the pests that constantly plague him.

Science now provides man with weapons and strategy and is making these increasingly effective. Weapons against agricultural pests include pest-killing chemicals; serums, antibiotics, vaccines, and other biologicals for fighting animal diseases; and new plant varieties bred for resistance to specific pests. Strategy for pest fighting includes organized efforts to use research weapons and regulatory work of inspection and quarantine. Our twentieth century has been called the first time that man has been able to fight back aggressively against plant and animal pests.

Meanwhile, the volume and speed of modern transportation have enabled stowaway agricultural pests to raze the world as never before.

Thus both man and pests have gained advantages. As the contest stands, they are about evenly matched. This represents a gain for man's side, because in all earlier ages he was practically helpless against pest outbreaks.

Johnny Smith, son of Mr. and Mrs. R. T. Smith suffered an eye injury last Friday afternoon at the Lake. He was able to return to school Monday, the injury much improved.

Uncle Sam made the bonds you own,
an even better bargain!

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25¢ a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,372.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Rotarians Hear Health Workers

Mrs. H. C. Graham, public welfare worker, and Miss Jane Plummer, public nurse for the Palm Beach County Health Department, were guest speakers at last week's luncheon meeting of the Pahokee Rotary Club. Introduced by O. B. McClure, program chairman, they explained the various services they render to needy persons in the Glades area.

Guest of honor at the luncheon was Charles Goodson, voted by his teammates as the most outstanding lineman on the 1959 Pahokee High Blue Devil football team. He was presented with the club-sponsored "Best Lineman" trophy, an annual award, with Dr. Wilburn C. Young, past president of the club

and team physician, making the presentation. W. K. (Hank) Aldridge, president-elect, presided in the absence of President C. E. Williams. T. W. Knight of Lake Park, a past president of the club, and John H. Logan, Clearwater Rotarian, were visitors.

ENTERTAIN SUNBEAMS

Mrs. W. W. White and Mrs. Edwin Cowart entertained the Sunbeam group of the Canal Point Baptist Church with an Easter egg hunt and wicker roast at the grounds of the Community Building. The leaders were assisted in serving 24 Sunbeams by Mrs. J. D. Latham and Mrs. Paul Rardin.

Insurance Folks On New York Visit

NEW YORK, N. Y.—Chester H. Mullis and Mr. and Mrs. Frank Tillis of the Canal Point area were honored here today at the Life Insurance Company of Georgia convention.

Recognition was accorded Mr. Mullis for his membership in Life of Georgia's Quarter Million Dollar Club. Mr. and Mrs. Tillis were recognized for their record as "Five-Time Conventioneers."

To the strains of stirring march music, Mr. Mullis and Mr. and Mrs. Tillis were escorted to the rostrum by company officials. Vice President for Field Operations Rankin M. Smith cited Mr. Mullis for producing more than \$250,000 worth of paid for Ordinary Insurance during 1959, and presented him with a gold watch.

Chairman of the Board I. M. Sheffield, Jr., congratulated Mr. and Mrs. Tillis for their fine record of service to the company and its policyholders and presented the couple with an engraved sterling silver tray.

The presentations were made at the Hotel Manhattan meeting before 440 delegates from Life of Georgia's 11-state territory.

Mr. Mullis is married to the former Judy Murphy of Pahokee. He is a member of the Baptist Church, Lions Club, and Junior Chamber of Commerce. He lives in Pahokee.

Mr. Tillis is a staff manager for Life of Georgia. His wife is the former Betty Batchelor of Pahokee. He belongs to the Baptist Church, Lions Club and Junior Chamber of Commerce. He is a resident of Pahokee.

They were accompanied on the New York trip by Chester Batchelor, manager of the Pahokee Life of Georgia district, and Mrs. Batchelor. Alex Johnson of the local office also made the trip.

Mr. and Mrs. J. S. Chastain were weekend guests of Mrs. Clyde Griffiths and Marc in Tampa.

Mr. and Mrs. Joe H. Usher, accompanied by Mr. and Mrs. Billy Culberson, were visitors at Immokalee, Sunday.

Mr. and Mrs. M. P. Stanley were business visitors in St. Petersburg Monday.

Miss Cindy Friend, student at FSU, Tallahassee, will spend Easter with her parents, Mr. and Mrs. Lewis Friend.

Roger Jaudon of Wauchula was the guest of Mr. and Mrs. Wiley Tillis Tuesday night.

ANNOUNCEMENT To PAHOKEE VOTERS

I am seeking re-election as your MAYOR.

I have stated to some of you that I was not going to run again. However, I have given this matter a great deal of thought and consideration and feel that I, like most of you, am going to rear my family and probably live the rest of my life in Pahokee. Consequently I want to do whatever I can for the betterment of our community, whether I am MAYOR or not. BUT—I do feel that I can BEST serve you as your MAYOR. Therefore, I am sincerely asking for your vote and support on May 3rd.

Woman's Club Has Shelley As Speaker

The Rev. Robert A. Shelley, pastor of the Canal Point Methodist Church, spoke on "Thoughts for the Easter Season" at the Wednesday luncheon meeting of the Pahokee Woman's Club. He was introduced as guest speaker by Mrs. Frank Friend, president, who presided at the business session.

It was announced Pahokee club members will be guests of the Belle Glade Woman's Club at its installation luncheon on May 4.

Recognition was given to Mrs. N. R. Lemonds and Mrs. W. S. Plumer who served as co-chairman for the club in directing the club's activities in the assistance given to the fund-raising drive of the American Cancer Society. Club members will again assist the tech-

nicians of the TB mobile X-ray unit when the unit is stationed at Pahokee on April 19. The unit will be located on S. E. First Street next to the Bank of Pahokee, where free X-ray chest examinations will be given from 10 a. m. to 12 noon and from 1 to 4 p. m. Plans were made to decorate the windows of the clubhouse with new, colorful drapes.

Youth Group To See Passion Play

Members of the Canal Point Methodist Youth Fellowship plan to attend the performance of the Black Hills Passion Play at Lake Wales-Good Friday night. They will be accompanied by some of their parents and by W. E. Blackwell, MYF counselor, and Mrs. Blackwell. There will be approximately 25 persons in the group.

Jerry Thomas For Representative

Jerry Thomas has announced he is a candidate for the House of Representatives in Group I on the democratic ticket, having qualified 30 minutes before the deadline March 1 in Tallahassee.

Thomas, born and educated in West Palm Beach, served as Director of the Florida Securities Commission and at 25, was the youngest securities administrator in the United States and Canada.

He has actively participated in every project of the Palm Beach Lions Club and presently serves on its board of directors. In 1959 he received the "Jaycee of the Month" award from the West Palm Beach Jaycee.

In announcing his decision, Thomas said:

"Experienced representation and the know-how of getting the job done in Tallahassee is important. Working in the capital for some five years has been a tremendous experience and has provided valuable friends in both the State Cabinet and Legislature.

"My formal education was in the School of Government, so I now have both the academic and the on-the-job qualifications the citizens of this county deserve.

"As a native of West Palm Beach and the father of five children, I am naturally anxious to assist in the establishment of a state university at Boca Raton.

"A continued sound, economic growth of our state is important, and any discriminating tax that discourages this sound growth, such as the present intangible personal property tax, should be corrected.

"It is important that Palm Beach County receive its fair allocation of State Road funds so as to provide adequate road facilities for the industrial, agricultural and population growth our county is encouraging and experiencing.

"Certainly, an equitable and fair reapportionment of representation in the State Legislature is of primary importance.

"The citizens of Palm Beach County are entitled to sound and sensible representation. My successful government and business

experience meets this need.

"If elected, I pledge to devote efforts to fair and equitable representation for this county and its citizens."

While Director of the Securities Commission, Thomas drafted many of the administrative rules and regulations under which the Commission presently operates.

Officers Named For Boy Scouts

On Thursday night the boy scout troop committee met at the home of chairman Wheeler Ludlam. It was election time and the registration of officers with the Gulf Stream Council. The officers elected were as follows: Chairman, Wheeler Ludlam; Secretary, Mike Sanders; Committee appointments were: Finance, Roy Vandegrift, Jr.; Advancement, Robert Simonson; Troop equipment, Robert Hutton; Camping, James Batchelor; Community Service, Hugo Boe; Bus, Leo Maxwell; Bar-B-Que, Hugo Boe and Loren Meredith; Publicity, Loren Meredith.

Friday night the social will be held at the City Park Pool. The requirements will be: 4 hot dogs, 4 buns, 4 pepsi-colas and 1 girl. The time is 6:30 P. M. See all you scouts and your girls there.

The closing ceremony of a Boy Scout Meeting is very sacred to a Scout. The boys forming a circle hands left over right with the scoutmaster giving the scoutmaster benediction, which is like a prayer. Afterwards the scoutmaster shakes the scouts hand to his right, this continues on around the circle until it gets back to the scoutmaster who then dismisses the boys.
